Dear Mr. duMenil,

Congratulations to the Trinity Glen Rose Groundwater Conservation District upon receiving the incredibly competitive grant from the Texas Water Development Board awarding the district \$101,241. This incredible grant is a tribute to the time and effort dedicated to the district.

The grant will help to expand your water well monitoring system, increase monitoring locations, and prevent data gaps. The members of your district will be safer with these upgrades.

I wish you all blessings in your future. I commend you all for your hard work and dedication to excellence. Congratulations, again, and may God continue to bless and use you for the good of the community and for the Great State of Texas. Please accept this letter as an expression of my highest esteem.

Sincerely,

Senator Donna Campbell, M.D.
Texas State Senator District 25
Chairman of Education
